

HEATHCOTE HARVEST

Gourmet Tours

Spend an exclusive day on our boutique farm!

We'll share our experience and knowledge of starting a self-sufficient farm from scratch, including the process that led us to open a restaurant in the middle of a farm.

Meet our **heritage breed** pigs, such as our behemoth boar Boris, and roam our veggie patch to pick some fresh produce. Feel free to wander the farm where you'll bump into our friendly flock of sheep and our gorgeous dogs!

After the tour we'll return to the restaurant where you'll be hands on in the making of our daily bread using our sour dough mother which is over 5 years old!

Finally, lunch will be served including an abundance of our farm fresh produce, our own **free range pork**, a selection of other surprises and spectacular local wines.

\$295 per person. *Very limited numbers.*
